June 1st Week

Vol. 27

Have Faith in Yourself to realise your Dreams

OUR LAST MEETING on 1st June was an absolutely fun meeting 'Childrens Night'. Firstly it was the birthday of President *Vishal* and he was duly given the Birthday bumps and secondly it was competition time for the children of the club. The dance competition was very well organised by Ann, *Rashika* and *Pinky*. It was an enlightning evening of watching and finding the hidden talets of the children. It was difficult to judge the winners. The judges were none other than *Mr. Mihir Shukla*, an Arthitect & Interior Designer and his wife *Tejal*. *Mr. Mihir* is new proposed member by *Dr. Sunil*. They were warmly welcomed by all the members. The 1st prize was shared by *Annet Neha Dhamanwala* and *Annet Dhwani Jariwala* and the 2nd prize went to *Himani Vashi* and all the participants were given consolation prizes. Also Gift hampers were given to all the children.

The adults also had a share of the fun by playing a game. The game Rtn. *Mukund* made us play was to Identify the product / company / brand name by the given slogan.

Last but not the least were the hosts for the evening Rtn. *PP Jayesh* & Rtn. *Joy* and *Dhmanwala* family. It was one of the best attended Meeting with very good ambience and delicious food well enjoyed by all.
