The week before last was full of events. On 14th the young, enthusiastic and raring to go, boys & girls of SPB college rose to the occasion, to join hands with us. They are our "Partners in Service." The Rotaract Club of SPB Surat, Sponsored by Surat Riverside. The office bearers and team took the oath to serve for the greater cause. PDG Rtn. Devendra Shastri, Chief Guest, installed the young team in the office. Guest of Honour, Rtn. Ranjit Pradhan, from Vadodara presented a slide show. This was a curtain - raiser about Rotaract - Service Through Fellowship. We welcome them all to our Rotary World.

Another major event on 16th Sept '99, was the fund raising program. "27 Aksha Beach" was well received by those who saw the play. It was a connoisseur delight. Rtn. Mukund Jariwala smiled all the way, his meticulous planning & execution bore fruit. With participation of all members, we had a very good response. Our kudos again to Rtn. Mukund. He would be more happy if members clear their account at the earliest ! A great effort indeed.

THINK AND ACT

Some people discard old jeans
Others discard old people

The skin is usually the first to go
Then eyesight weakens

You read newspapers only for your friends in the obituaries

Suddenly stairs seem miles high
Sleep fails you

And the day lingers on for ever

Either people start talking softly

Or you start hearing less

Your joints hurt

Your back pains

And it takes courage to look yourself in the mirror

But it is when people discard you

That you know old age is finally here to stay.

All you have spend on the elderly is your time.
