The joint meeting of the R.C. Udhna and our Club was indeed a very pleasant and fruitful one. The Agenda : The 14th NID - 23rd January'2000. The presence of our D.G Prafull Bhatt and Harshidaben added grace and charm to the evening. Ofcourse our overseas friends from various Rotary Clubs in USA added a special touch making the meeting come alive. Indeed a very well attended meeting.

Nandita then briefed all on the forthcoming NID and statistics thereof. D.G Praful delivered a powerful speech stressing on friendship with our visiting Rotarians and the need of the hour - our active involvement in the NIDs to help make eradication of Polio a reality.

SHARE A SMILE

A man was wandering around in a field, thinking about how good his wife had been to him and how fortunate he was to have her.

He asked God, "Why did you make her so kind-hearted?"

The Lord responded, "So you could love her, my son."

"Why did you make her so good-looking?"

"So you could love her, my son."

"Why did you make her such a good cook?"

"So you could love her, my son."

The man thought about this. Then he said, "I don't mean to seem ungrateful or anything, but... why did you make her so stupid?"

"So she could love you, my son!"

The great victories of life are more often won in a quiet way, and not with alarms and trumpets.
