IN RETROSPECT :

7th March 2000

The last meet was interesting in much sense. Being a speaker meet, there was a good attendance. However, due to some exigencies, the speaker could not make it. Therefore, it turned out to be the good old fellowship, but with a big difference.

The meeting was called to order by acting Sgt.at arms Rtn. Amrish. The four-way test was recited-and there was a surprise-by Ann Priti. It was probably the maiden recital by an Anne. The meeting started and then Pres. Sunil spilled the beans. The next day being the International Woman's Day, it was the better halves hat took the reigns to share their thoughts about Rotary. Club first lady, Anne Hyacinth shared the dais with Pres., Secy and Sgt. at arms. Anne's were invited to speak about their feelings and what Rotary means to them.

Anne Rashna candidly spoke how really she enjoyed Rotary and always looked forward towards the meetings. She confessed that she has to persist on Rtn. Phiroze to attend the meets. "Indeed, a positive gesture and we appreciate that

Anne Sangeeta was very proud of being in Rotary and how today she is enjoying this family built on foundation of trust and friendship. She thanked the Rotary fraternity for selecting Rtn. Anand as the GSE team leader to France and indeed she was much happy and joyous about it. "Yes, we are also proud of Anand and we share your moments of joy. Rotary is a way of life".

Anne Amisha, a talented professional, expressed her gratitude and how she looks forward towards every Rotary meet. She is very successfully running a fashion boutique that was recently launched. Despite being busy, she makes it a point to attend the meets with Rtn. Amrish. "Our best wishes for your new endeavor. It's your dream come true. Such is Rotary."

The Vote of Thanks came from First Lady Anne Hyacinth as she anxiously waited her turn to speak and why not - "I've been waiting for the last four years to speak from here", she spoke. With much admiration she told how Rotary has become important and a part of life. Despite the odd difficulties, she has withstood firm helping Rtn. Sunil with the rigmarole of profession and practice. Despite all, she has enjoyed each and every moment and will continue to do her bit to be in the forefront. "We join hands with you towards your commitment. Rotary is a goal!" And did you notice that Anne Hyacinth is also the co-editor of Riverside Ripples bulletins? Look at the lower right corner!

It was wonderful to share thoughts of the better halves. Rotary has forged closeness amongst its fraternities and families. A very positive sign indeed.
