**IN RETROSPECT** : 2<sup>nd</sup> May 2000

The meeting on 2nd May 2000 was a Speaker meet. It was a different kind of meet with our own young Rotarians taking turns to express their views about Rotary. It was very encouraging to hear from Rtn. Amrish, Rtn. Paresh, Rtn. Phiroz, Ann. Rashna, Rtn. Vijay, and Rtn. Saif sharing that they thoroughly enjoyed Rotary and that they've made new friends. Truly in the spirit of Rotary, we've joined hands with our fellow team members and together we stand and work for the Noble Cause.

President Sunil presided over the meet and members cheerfully listened to the Rotary experience of their brethren. President Elect Rtn. Arvind Kumar conveyed the message from DG about the donation receipts. The receipts of Kargil donations are ready and we've to submit the names to arrange to get these. Receipts of TRF will be sent as and when they are available.

Mother nature is not very kind to us these days (we are to be blamed for that) and there is a severe drought and famine in Kutch and Saurashtra. DG Prafullbhai has initiated a relief program to provide water tankers to the severely affected villages. President Sunil explained the scheme suggested by the DG through PDG Bharat Solanki to members wherein members may voluntarily contribute Rs. 500/- per head (which is the cost per tanker) or in multiples to fight this demonous draught. Members unanimously agreed for the donations and contributions were collected on the spot. A very kind gesture indeed by our young group. "We stand united to serve our society". It may be worth mentioning that Rtn. Stanley Martin has volunteered for collecting these contributions. Any members interested in adding to this fund is requested to contact Rtn Stanley or Rtn. Vishal Sinha.

We cherished the presence of Rtn. Siddharth and Rtn. Garg after quite sometime. They were tied up with important assignments and thus deprived us of their loving presence. We hope to see them more often now that they can give time to Rotary. Welcome !!
