**Memories of Last Meeting**

There was of course the planning for the programs for the rotary year 2001-02 in the assembly, but the charm in the meeting was missing. Well I said it correct because the charming annes were not present. We did miss them.

The assembly meet did have many dramatic decisions. Our just inducted member -Rtn.Mehul Shah took up the chairmanship of a project "Education & Awareness On Traffic" & "Sound Pollution". Assisting him as co-chairman will be PP Rtn.Sunil D'souza & Rtn.Vaishali Chauhan. Any one wishing to join them in the project will be most welcome. Congratulations & best wishes for the project.

Another very loving, caring & with a sense of utmost need to the club gesture, a Surat Riverside podium was gifted to the club by Rtn.Sidharth Shah. It is indeed a token of love & belonging to the club that the Rotarian has expressed in his gift. Thank you Rtn.Sidharth & hope this inspires many many more Rotarians

Rtn.Stanley Martin (Chairperson International Services) briefed the members of the following programs; the one year I.Y.E (International Youth Exchange) study programs, four weeks G.S.E team participation as leader or sponsor to team going to North England, short term (eight weeks) New Generation Exchange Program, Matching Grants & T.R.F. Any member interested to know more about these programs can approach Rtn.Stanley Martin. He would be most glad to fill in more details.

PP Rtn.Mahendrabhai Kajiwala addressed the assembly in his unique way & put up a proposal for a permanent office of the club. This would help the club to work any time of the day for meetings on urgent matters & in short help society. The proposal was well supported by everyone.

PP Rtn.Sunil D'souza cannot be missed hearing as he has always something exciting & new to tell the members. He briefed the members about the latest Rotary developments & latest position of the projects on hand of the club.

The assembly members had a feast of good delicious food at the Kwality Restaurant later in the evening. (But remember they all missed the annes)

**IS THIS WHAT YOU THINK OF YOUR  
MARRIAGE.....**

- 🌀 Marriage is when a man and woman become as one; the trouble starts when they try to decide which one.
  - 🌀 Marriage means commitment. Of course, so does insanity.
  - 🌀 A successful man is one who makes more money than his wife can spend. A successful woman is one who can find such a man.
  - 🌀 Before marriage, a man yearns for the woman he loves. After marriage, the 'Y' becomes silent.
- WE WILL DISCUSS THIS IN OUR  
FORTHCOMING MEETING*
