memories of fellowship meet

You can't call this only a fellowship meet isn't. It was also a mid year performance assessment meet. Our President, very cleverly, seeing that there is a good amount of crowd & all in good cheerful mood, asked everyone including the annes to comment on their observations of the past four months of this Rotary term. I must congratulate everyone for being very frank & just in giving their comments & suggestions. There was concern shown by ann Amisha about the care taking of trees planted by the members a couple of months back, about which our President promptly replied that Rtn Dr Ajay Bhardwaj is monitoring the growth. There are two aspects to this to be taken note of, the concern about the care taking of the trees in the mind of ann Amisha & the responsibility that Rtn. Dr. Ajay Bhardwaj has taken upon himself to monitor their growth. Hats off to both of them.

There were many suggestions for more social activity from Rtn Stanley, ann Hyacinth, Rtn. Vaishali and ann Pinky. The number of speaker meets should be increased was suggested by Rtn.Saifuddin Doola .Up coming projects taken up by PP Rtn Vishal Sinha were also discussed. PP Rtn Sunil Dsouza, was more down to earth & with basics. He pointed out the responsibilities of the directors & bluntly questioned them as to why is the President always have to manage their jobs. What are the directors for?

In one of my earlier bulletins, I had mentioned about nominating Presidents for coming years in advance. Once you have say five years Presidents nominated, he inturn tentatively has his team ready. Now set up a five-year project & set goals for each of the President to accomplish in each of their years. Only if you have a goal, a target to aim at, you work for it, strive for it & achieve it. The problem right now is the goal, which no President has. Every President I am sure, wants to do something, but without goals just tries to shoot without the target. You set targets, set the time frame & see the results.

Enough of suggestions & comments, coming back to the meeting, I don't want to forget the dinner. For you guys who missed the meet, here is the menu; finger licking શ્રીખંડ, ગરમ દુધસયા ભજ્યા, exquisite flavored ફલાવર, બટાકા, ટામેટા નું, શાક અને તીનદોદા, પુરી કઢી ભાત, પાપડ, ચટણી, સલાદ. I am sure Holiday Inn also cannot serve such delicacies.

PLEASE NOTE: WE WILL NOT BE HAVING ANY MEETING ON THE 13TH NOVEMBER TUESDAY & ALSO ON THE 20TH NOVEMBER TUESDAY. OUR NEXT MEETING WILL BE HELD ON 27TH NOVEMBER TUESDAY.

Riverside Ripples wishes all the Holiday goers the best of the Holidays. Enjoy! Enjoy! Enjoy! Let me name a few who I know are going;

How Can You Exceed 100%.....

We have all been to those meetings where someone wants more than 100%. Well here's how you do that. Here's how you can achieve 103%. First of all, here's a little math that might prove helpful in the future.

How does one achieve 100% in LIFE? Begin by noting the following

If: A = 1, B = 2, C = 3, D = 4, E = 5, F = 6, G = 7, H = 8, I = 9, J = 10, K = 11, L = 12, M = 13, N = 14, O = 15, P = 16, Q = 17, R = 18, S = 19, T = 20, U = 21, V = 22, W = 23, X = 24, Y = 25 & Z = 26

Then A R D W O R K = 8+1+18+4+23+15+18+11 = only 98%, Similarly,

K N O W L E D G E = 11+14+15+23+12+5+4+7+5 = only 96%

But interesting (and as you'd expect), A T T I T U D E = 1+20+20+9+20+21+4+5 = 100%

... This is how you achieve 100% in LIFE. But EVEN MORE IMPORTANT TO NOTE (or REALIZE), is B U L L S H I T = 2+21+12+12+19+8+9+20 = 103%

So now you know what all those high-priced consultants, upper management, and motivational speakers really mean when they want to exceed 100%!

By Mehul Shah....

THE VERSES BELOW WERE WRITTEN BY MOTHER TERESA AND ENGRAVED ON THE WALL OF HER HOME FOR CHILDREN IN CALCUTTA.

People are often unreasonable, illogical and self-centered--- Forgive them anyway

If you are kind, people may accuse you of selfish, ulterior motives --Be kind anyway

If you are successful, you will win some false friends and some true enemies---

Succeed anyway

If you are honest and frank, people may cheat you---- Be honest and frank anyway

What you spend years building, someone could destroy--- Build anyway

If you find serenity and happiness, they may be jealous--- Be happy anyway

The good you do today, people will often forget tomorrow ---Do good anyway

Give the world the best you have, and it may never be enough--- Give the world the best you've got anyway

You see, in the final analysis, it is between you and God---It was never between you and them anyway.
