Memories of Previous Meeting

With the Vajpayee - Mushraff summit coming to a close with an inconclusive note, the fellowship meet changed the mood of the Rotarians. The first fellowship meet of this rotary year did have lot of brotherhood & friendship associated with it & no cross border issues mind you. It was a warm welcome by the President with hearty apologies to the Anne's who missed the first meeting {assembly meet}, which they thought was wrong protocol. Frankly speaking they are right, because behind every successful Riverside Rotarian, is his Ann.

As I had mentioned in the last bulletin, Siddharth's gesture in donating the podium did leave its trail of inspiration. The first inspired man was our beloved President Rtn Jugal Shinglot who donated a cupboard. Again a gesture with a sense of usefulness & utility to the club forever. Thank you Mr. President & this can inspire some more members to gift the club something it most needs. Let the tempo go on & on. The meeting was well supported by good delicious Gujarati food.

"AKSH" (Reflection) was the reason for the informal meeting of the Rotarians of our club with family on Saturday 14th July. The venue was none other then the vast landscaped drive in theatre "Dream Land". But, but wait a minute, it turned out to be a nightmare & not a dream. The movie didn't reflect our minds, but the company of rotary friends & family kept us awake till the early hours of morning until we said good morning & departed. Thanks go to Rtn Dr. Ajay Bhardwaj for taking the pains to get us tickets for the movie.

From the desk of the treasurer.

The first term bills for the fees due Rs 3000/= have been issued {enclosed} for payment to all the members. The last date to pay the term fees is 24th July 2001 {Tuesday}. All the members are requested to clear the term fees before the due date.

Our PP Rtn. Dr. Sunil D'souza (Public Relation officer & Internet Officer of our Club) has been a very busy man not only in his profession but also very much in Rotary. No one could have thought of inviting our R.I. President Mr. King for our club's maiden permanent project but Dr. Sunil D'souza didn't miss the opportunity & he invited the R. I. President and his wife to inaugurate the project. PP Rtn. Dr. Sunil D'souza has wings when he is on the net & he flies all round the rotary world promoting the club & Rotary. I am sure this man will be a big celebrity in the Rotary world in the days to come & the club can be proud of such a man.

Subject: Invitation from Rotary Surat Riverside

Dear Cherrie and Rick,

As we come to the finale of our maiden joint endeavor of Matching Grant with RC of Davenport, IOWA, we heartily extend our gratitude for supporting the cause. The project has been completed well in time, thanks to continued efforts of Rotarians of Riverside and encouragement from you.

We'd have appreciated your presence here on this special day of our club. Your benevolence will be a blessing to those who would benefit out of this project.

The success of this maiden project, with your continued support, has spurred us to take up bigger challenges. The Rotarians of Riverside are a lot more motivated and are raring to go ahead with major projects that would have a greater impact on society - for the betterment of mankind.

Thanking You.

Yours in Rotary

Dear Rotarian D'SOUZA:

Please accept our sincere apology that we failed to respond to your invitation to President King. We are very sorry. For a variety of reasons, your request did not reach the President's desk in time for him to respond in advance of the event.

The President sends his congratulations on the work you are doing and his sincere best wishes for the success of your future endeavor.

Sincerely,

Patricia Groenewold
