Past Meeting.

Our own member & friend Rtn Dr Ajay Bhardwaj & Rashika Bhardwaj were the speakers for the evening meeting. They spoke on their experiences during their visit to Europe. The manner in which the couple narrated their experiences itself proved that they still carry sweet memories of their stay in U.K. & Europe. There is still that excitement in their talk.

Dr Ajay very briefly touched upon his good experiences with the people there. The fine-tuned systems there. There was also comparison of approach & attitudes between the English & the Indian people. If not the guidance & help from the local village people of France for the Bhardwaj family, they were heading in another direction other than their destination Paris. The local people went out of their way to help the Bhardwaj family. Dr Ajay narrated many such instances to the members.

Sharing her collection of memories with the members, Ann Rashika was taken aback, was shocked to see her when ready in operational stage when she reached her home in U.K. from India for the first time. Her neighbors there, an Indian Gujarati family, had purchased & arranged all the spices, all the ingredients to start off a kitchen, when they heard of the Indian (Bhardwaj) family settling beside them. She also highlighted her experiences of the job she took up there as a teacher in U.K.

These experiences show us that "Mankind is the business of every human being", whether he is a Rotarian or not. Being a Rotarian, you should be all the more aware of the business of Mankind, isn't it true?

PP Vishal Sinha proposed the vote of thanks. Rtn Amrish Patel also took this opportunity to briefly quote his experiences & feelings.

President Jugal requested the members to share their experiences, views on what so ever subject they wish with the club members as speaker for the meetings. So any member wishing to share, please contact the President or the secretary.
