Dear Club members,

Greetings from the incoming Rotary team 2002-03

Sow The Seeds of Love

As we come to the end of one more Rotary year, we look back with satisfaction and contentment and thank each one of you for your time and contribution, which made all this possible.

It's time now however to look ahead. New Dreams. New Visions. A new thrust to the club. There is so much more we want to give you.

To make this possible right from start, we have had to revise our annual fee to Rs. 6500/-, which is an increase of Rs. 500/- Per annum

But.. But.. But.. We have an attractive proposition for you. We have worked out an early bird offer whereby you pay in the entire amount of Rs.6100/-before 21th June 2002 and avail of a discount Rs. 400/-. This will have a two-way benefit.

Firstly, it will benefit the club immensely as the club will earn interest on this amount, which will help us during the year. Secondly you are free of follow up and you will have no one calling you up for fees for one whole year. Doesn't that sound good!

Let me mention here however that it is mandatory for the Board of Directors, the committee members; the past Presidents & President elects to pay the amount for the whole year. This would set an example for rest of the members.

Friends, join hands with me and let's make a great beginning. Do send in you amount to me, Mukund or Stanley latest by the 21th of June. I do hope I will not have to remind any of you once again.

Yours in Rotary,

DIVYANG PAREKH

INCOMING Hon. TREASURER (2002-2003)
