Memories of Last Meeting

A soft and lovely beginning for the incoming President Rtn. Mukund Jariwala not really showing heavy shoulders, the first meet chaired by him and his team went on successfully at the Dr. Bhacca Rotary Hall, Jeevan Bharati.

The President threw open the contest 'Made for Each Other' organised by Rtn. Tasneem Doctor and Rtn. Mazhar Doctor with a brief introduction. Continuing from the last week, the Rotary Ripples were upbeat in high spirits and were all charged up for the contest. The organizers seemed to put in all their experience in preparing the true life questionnaire. Commendable work indeed for having enthused and involved all. No one left (this time) till the end of the contest. For the participants, it was revealing time and it was revealing from their surprises. Answering one of the questions, one said an incident happened 7 years ago while the partner says 'just last month'. It happened at 'Dumas' for one, and the partner says 'no it happened at Ahmedabad'. Such were the varying answers. There were 'bulls eye' also with common answers for questions like the most watched TV serial and the amount of money in the partner's purse.

It was 'man mile - dil mile' for Rtn. Arvind Kumar & Ann. Nicky and Rtn. Amit Adhitya & Ann. Ami, joint winners of the 'Made for Each Other' Contest.

Congratulations to Rtn. Tasneem Doctor and Rtn. Mazhar Doctor, for having succeeded in putting through the message '**Know your partner**' and the question '**How much do you know your partner?**'

President Rtn. Mukund Jariwala in his first day address took on the role of disciplining. He insisted on everyone wearing lapel pins and being on time for the meetings. An early start at 8.30 pm to 10.15-30 pm was decided for all forth coming meets.

Less than ten days to go for the Yearly Installation, It's time to get steadfast and ready. The mood was telling on everyone with both Rotarians and Anns joining for the preparation.

Club Secretary Rtn. Stanley Martin announced the Agenda during next meet would be firming up and preparing for the Installation.

Hon. Treasurer Divyang Parikh recognized the members who had paid their fees at the same time called upon the ones who have not paid to pay up before the installation date and to avail benefit of the discounted fee structure. Names of all those who have paid are published in this bulletin.

From the office of Hon. Treasurer:

We thank the following members for their support and co-operation in remitting their fees as per schedule for the year 2002-2003. We heartily appreciate their matured gesture.

As the time is running fast and the last date that is the installation date 13th July 2002 is coming closer for the Early Bird Scheme to finish, we still have quite a few members who have abstained from paying their fees. The board & the office bearers cannot be amongst the abstained members but should be ones to be setting up examples for rest of the members to pay up on time. *This will be the last reminder now.*

Our half yearly R.I. dues will have to be sent by the end of July. We will be able to send R I dues only of those members whose fees has been paid. *Please make it very clear that the club will not pay the members RI dues without the member paying his fees to the club.*
