### **Installation & Charter Presentation of Sheth Dhanjisha Rustanji Umrigar Interact Club.**

4<sup>th</sup> Feb was indeed a memorable day for Rotary Surat Riverside. Our club sponsored Interact club of Umrigar School was presented with their formal charter and the DG Jatin Bhatt who specially came for the occasion formally installed the team. The charter president of this Interact club is none other than our own Rtn. Tasnim Doctor's daughter **Sabiha Doctor**.

The Interactors of Umrigar School handled the entire program. Sgt-at-arms Miss Sonal Shah called the meeting to order followed by Miss Hetvi Potlawala invoking the blessings of the lord in her melodious voice. Master Abhishek Batra came forward for the Four Way Test. President Mukund welcomed all on behalf of the entire Riverside club being the sponsor club. Rtn Tasnim Doctor had to play a dual role as Principal of the School and the Interact Co-ordinator on Riverside club's behalf. A difficult task by no means. Jay Arora introduced the DG, President Mukund by Ujjawal Almal and the charter President Sabiha Doctor was introduced by Dhara Bhavsar. The District Governor then inducted the team, which was as follows.

**President** – Sabiha Doctor, **Hon. Sec** - Shruti Dhandhanania **Treasurer** – Manish Khatwani

**Vice. Presi.**- Taresh- Noopur Vinargi **President Elect** – Ishaan Shah

**Club Director of International Peace:** Sanwal, Shah, **Club Service Director** - Smeet Gala

**Community Service Director** – Chandni Patel, **Financial Matters Director** - Divesh Khivesara

The entire team was solemnly made to take the oath for service to humanity above self.

The newly inducted president very confidently introduced all her team members and then carried on to give her maiden speech as a President. She mentioned how truly privileged she was to be made the President of the club. She also mentioned in brief all the activities and meetings they have conducted even before their club. She also stated what they planned and asked all her Interactors to co-operate with her. She promised the Rotary Riverside club that they would definitely try their level best to serve society and lend a hand to the needy. The DG then gave his blessings and advice to the newly formed club. Payal Hemwani offered a vote of thanks.

The entire evening was a stupendous success. Many familiar faces were to be seen in the club. AG Dr. Prashant, PDG Rajnikant Thacker, PDG Prafull Bhatt & Harshidaben, District Officers & Presidents of other Clubs were part of the grand installation ceremony. The school trustee Dahyabhai Sarang also made himself available for the function. Good representation from the Riverside Club added charm to the installation.

To add more color to the function, photographs of the past meetings & projects of Riverside were on display in the hall.

Finally at the end of the day, the entire program was definitely a huge success. One more feather to the cap of our President Mukund.

Hello, everyone.

Here's an ice-skating report on Diana's progress toward the winter Olympics. She is really doing great, about the best I've ever seen for one who just started ice-skating. Yesterday was only her second time on skates and she was able to skate all by herself, and she didn't take any hard falls. Next we'll work on her leaps and spins.... ☺

Notice that she does seem to need a few layers of clothing. Fortunately, we haven't really had any winter yet, so she hasn't seen really cold weather. It was only about minus three degrees Celsius yesterday. Maybe that's unfortunate, because I think it would be nice for her to enjoy a more typical Iowa winter with temperatures in the minus 20 to 30 degree range, with lots of snow.
