Hurray Hurray, it's a holi, holiday, hurray hurray.....

The holidays have begun for the kids & the mums & the club has not wasted time to start entertaining the kids & help them recover from exam fever. Last week the magic show & this week games & fun for the children was a good beginning of the vacation.

Much to the liking of the crowd for the summers, the venue was air-conditioned, a banquet hall above sugar & spice restaurant.

The crowd was in a jovial mood, specially the children who were in large numbers to enjoy the games. Annes took charge to coordinate the play. Thanks to Ann Hyacinth, Manisha, Ulka, Rtn Stanley, PP Dr Sunil, Ann Rashika, Gracy who helped in coordinating the games. Here I would like to specially mention the helpful role of the annes in the club. Though they are not the official members of our club but their role in the working of the club is as good & efficient as any member. Hats off to you Riverside annes.

Quite a few innovative games were played involving all ages of children. The winners were announced by Ann Ulka. There are as below:

**Check it out- Any one for a linguistic challenge?????**

The person who invented this sentence must be a vocabulary GENIUS. Read the sentence below carefully:

"I do not know where family doctors acquired illegibly perplexing handwriting nevertheless, extraordinary pharmaceutical intellectuality counterbalancing indecipherability, transcendentalizes intercommunications' incomprehensibleness".

This is a sentence where the Nth word is N letters long. e.g. 3rd word is 3 letters long, 8th word is 8 letters long and so on.
