Thought

Once conform, once do what other people do, just because they do it, and a lethargy steals over all the finer nerves and faculties of the soul, which then becomes an outward show and an inward emptiness-dull, callous and indifferent.

- Virginia Woolf

Last Meeting : 05th Feb. '04. - "ANTAKSHARI"

On Thursday evening for the Riversiders it was an evening of **Fun, Frolic and Sumptuous Food**. The 3F meeting was held on the beautiful lawns of P.P. Jayesh Dhamanwala's factory premises. The Charter President along with Ann. Nita had set up an exquisite menu of typical **Kathiyawadi** food.... *Hot Rotlas, Bhartha, Sev Tomatoes, Gol Papdi* tempting on a cold evening and to top it all - *Chaash*.

After a full meal, everyone joined in "Antakshari". Nostalgic Songs with new songs in-between was like balm to the soul and a nearly full moon added to the magic of the evening. It was a basic males and females competition with a bit of leg pulling and hulla gulla.

Rtn. *Rajat Vij* had invited two lovely couples for 1st interest meet; Mr. & Mrs. *Shetty* and Mr. & Mrs. *Grover*.

An evening of warmth, friendship, music, joy, peace & good food will be remembered for a long time.

Those who couldn't make it surely missed a lot.

We Welcome you to Riverside Family

Fund Raising :

Dear Fellow Riversiders,

I trust this note finds you in best of health and convey my sincere regards.

Commitment towards the cause of Rotary has somehow become lifeline and so it is with most of us in Rotary Surat Riverside.

With a very creative bent of mind and keeping in tune with the modern concept of "Donate and Dance" which is getting popular with many a Corporate Giants, we have now set up a platform for us to raise funds for our future projects.

You are all aware, Charity raising is a collective effort for every organization and we are not an exception.

Time and again in the past 40-50 days we have discussed that the entire project has been appreciated by many and have given a confidence to support the same. It is on our part to use all our contacts to raise charity through the promotion of Donation cards.

I take this opportunity to appeal to all of you and request you to give your best, and surely we will achieve the target.

Through the appointed event manager we have now approached many potential brands and put up proposals for group booking. Day in and day out he with his team of three executives has geared up to carry out the proposed events successfully.

You are most welcome to visit our office for further updates regarding the same.

I solicit your contributions without any further delay.

A True Rotarian

Rotary was conceived, born, and bred in friendship and tolerance... To deal with conflicting ideologies is and always has been Rotary's specialty, one of the main reasons for its existence.

Plant the seeds of tolerance, kindness, friendliness and usefulness in their fertile minds and they will be sure to bring forth fruit of enduring value. The world needs the simple philosophy of Rotary; it will stand the stress and strain of adversity and calamity however created. It never fails.

If you, brother Rotarian, think that you have a great mission to perform in Rotary, remember that great missions are serious undertakings. Do not expect to perform great missions in a day.

Founder President of Rotary International

Rtn. Pankaj Gandhi returned last week after doing a ten days Snow Trek to Kufri, 8500 ft. near Shimla. The Himalayan Snow Trek gives you an indefinable blend of myth and reality, fact & fiction.

We will love to hear from him his wonderful experience with the Mighty Himalayan Nature Trail.
