NATIONAL IMMUNISATION DAY

February 22, 2004

"Life eventually boils down to a choice - you either stand by your principles and responsibilities, or you don't."

Last Meeting : 10th Feb. '04. - SPEAKER MEET

The meet carried lot of academic interest as it was to be chaired by the learned, adorable and pleasing personality - the Rotary District Governor Nominee for the Rotary year 2005-06 - Rotarian *Ashish Roy* from Rotary Club of Vapi.

No signs of fatigue was observed on his face despite freshly arriving from Vapi to deliver a talk on 'Anger Management', whose time punctuality surprised most of our club members as they kept on pouring much much after his arrival. Ritual of extended fellowship over the dinner table was followed by a small congregation of Riversiders for the purpose much important then the former - the address by the chief guest.

After the citation of the Four Way Test, President Rtn. *Ajay Bhardwaj* whole heartedly welcomed Rtn. *Ashish Roy* both as an District Governor Nominee and as an able Management Speaker.

I had the privilege to introduce the erudite speaker. I highlighted the efforts put in by DGN *Ashish Roy* during his long Rotary innings which made him the most eligible person for the governorship of District 3060 for the year 2005-06. DGN *Ashish Roy* has unending list of Rotary and non - Rotary achievements to envy most of our District Aspirants.

'Anger Management' is one of those rare subjects which most of the Management Gurus fail to comprehend as, 'Anger' is no reason friendly. The present day complexities and highly attentive situations spruce up Anger in the commonest man and makes him act in the most disgusting manner shouting at or at times beating the unfortunate opponent. Controlling it is an art, he said. He also showed different methods of reacting while in the process of getting Angry, the ultimate being to withdraw from the place before being too late.

The talk was followed by some interesting Questions and Suggestions from our own club members. Suggestions on how to control and manage the time when the 'Anger Tycoon' is approaching you fast, was highly applauded.

In the Nutshell it was a very eventful and enjoyable evening and I am sure each one of us must have Visualized the most erring situation responsible for subjecting them to the Devil - anger.

PP Rtn. *Jayesh Dhamanwala* proposed the Vote of Thanks and promised the DGN *Ashish Roy* to extend full co-operation from our club during the period of his Governorship.

President Rtn. *Ajay Bhardwaj* also reminded the club members to submit the proceeds of the sale of the Rotary Polio Pulse stamp tickets as early as possible, which everybody should take care of.

Kudos to Rtn. Vijay & Rtn. Vaishali Chauhan

Rtn. Vijay & his better half Rtn. Vaishali for the 5th consecutive year participated in the CAR RALLY for the BLIND people. This 7th CAR RALLY was organized by Round Table 135 Surat.

The over all stretch of 85 kms. was to be covered in stipulated time frame. In all 84 participants took part in the rally.

The Navigator for our Rtn. couple was Blind Man Mr. M. P. Soni from Ahmedabad. Rtn. Vijay drove the car whereas Mr. Soni gave the direction through the Brail Map. Route of the Rally was very tough this time as compared to previous years, But that did not deter Rtn. Vijay & Rtn. Vaishali. They together with Mr. Soni teamed up wonderfully to gain enough points to get them the 2nd place. In 2001 they had won the championship & last year also they stood 1st runners up.

Congratulations and keep it up. In a true Rotary spirit, the Rotarian couple encouraged & boosted the morale of the under privilege by **Lending a Hand**.

R. I. President's Message

Lend a Hand

February is World Understanding Month, an opportunity for Rotarians everywhere to reflect upon the fourth point of the Object of Rotary: "The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service."

When we '*Lend a Hand*' by working together in Rotary service, we encourage each other and continue to build hope for the future, both in ourselves and in the families and communities that benefit from our efforts.

And with hope, anything is possible.
