## Thoughts

If you have an apple and I have an apple and we exchange these apples then you and I will still each have one apple. But if you have an idea and I have an idea and we exchange these ideas, then each of us will have two ideas.

The achievements of an organization are the results of the combined effort of each individual.

To make the Centennial celebrations and activities more focussed, five PP's have been selected as the special aide to the President. They will assist the President and coordinate the activities round the year. Primary focus will be on Polio Eradication as RI pledges to eradicate Polio from the face of earth by the year 2005.

President *Ajay* was visibly relieved. With the formation of the new team, the end of the current year was just round the corner. Looking back, the year gone by was another milestone and more achievements are in the offing under the new leadership and the team.

The installation ceremony is planned to be held on 3rd July, '04. The details of program and venue will be declared soon. With President *Siddharth* taking over, be ready for some pleasant surprises that he would spring up.

The Rotary family meet has been a great success and President *Ajay* urged the few remaining teams to complete the get together by this week. There was a tremendous response to this and it has helped to bring the members and their families closer.
