Thoughts

Do not be desirous of having things done quickly. Do not look at small advantages. Desire to have things done quickly prevents their being done thoroughly. Looking at small advantages prevents great affairs from being accomplished.

— Confucius

Success is not measured by what you accomplish, but by the opposition you have encountered, and the courage with which you have maintained the struggle against overwhelming odds.

— Orison Scott Marden

Family Meet :

Yes!! Truly a wonderful way of knowing your fellow Rotarian. The family meet-program started by President *Ajay* is working out superbly. Last week on 11th March, PP *Vishal Sinha*'s & President Elect *Siddharth Shah*'s group got together at 'Rangoli' with family. Rtn. *Bankim Vashi* came up with wonderful suggestion of introducing oneself in detail regarding their childhood, brother, sisters and also Anns were to tell about their life before marriage. And then of course how they both met. It was real fun knowing each other and of course the ambience & food added up to create a nice evening. Cheers!! to family meets.

District Event :

PETS/SETS of centennial year 2004-05 to be held at Devka Beach, Daman on 20th & 21st March 2004. PDG Dr. *Manoj Desai* is going to be Chief Guest for inaugural function.

Our President Elect *Siddharth Shah* along with Secretary Elect PP *Jugal Shinglot* will be attending the event to understand better the role & responsibilities as club president & secretary respectively.

Next Meeting : BCSS Slide Presentation

The next meeting is a DO NOT MISS meet. Team BCSS (Bird Conservation Society of Surat) will give a slide presentation on birds. Well, you would ask - why birds? Birds are an important indicator of health of environment. If there is decline in population of birds, it clearly signals ecological imbalance. Since birds can choose to fly away, they represent the most sensitive index of environmental imbalance.

Incoming President *Siddharth Shah* is the founder President and PP *Arvind Kumar* founder Secretary of this NGO group - BCSS. So be there with annes and annettes. And enjoy the spectacular life of birds. know how you can play your role to protect the environment that sustains our life!!!

A FAST CHANGING WORLD DO YOU KNOW WHERE YOU STAND?
