DG's Official Visit

It all started on a very positive note with lot many members turned up to hear the District Governor immediately after recuperating from a BY-PASS surgery.

Dinner was served with delicious food and lot of camaraderie among members & visiting Rotarians.

Meeting was called to order by Sgt-At-Arms *Pankaj Gandhi*.

Ann Ami graced the occasion with a lovely prayer.

Rtn. *Sharad Terway* recited the four-way test.

President Dr. Ajay Bhardwaj was his usual self during his Warm Welcome Speech.

DG, 1st Lady *Vandanaji* and AG *Nitin Patel* were greeted alongwith PDG *Bharat Solanki* & PDG *Prafull Bhatt*. Lot of District officers and Neighbouring President - Secretaries were also acknowledged.

PP *Mahendra Kajiwala* again delighted the audience with his very informal sounding yet very sophisticated introduction of DG *Kulbandhu Sharma*.

DG was just as usual a very dignified and forceful sounding Leader despite his recent illness and enthralled the audience with lot of thought provoking ways to promote rotary during coming years. He also advised the Club to increase its level of activities and start thinking beyond club activities. Having achieved the membership growth and other goals already for the year, he congratulated President *Ajay* and expected more from us during balance 9 months ahead.

He also informed the audience that despite his best Auditory Inspection, he couldn't find a single fault among reports presented to him during Closed Door Meeting with Board Members.

DG also talked about new ideas coming up Rotary's way as they are nearing the Centenary Year and told us that they may be taken up during forthcoming C. O. L.

In turn, as if reciprocating the wishes narrated by DG, he promised to give 20 more PHF by Year End - This was followed by a thundering applause as if the members have just approved to what President has just promised to DG.

He also congratulated, greeted, garlanded & put a lapel pin on two new PHF Members; namely (1) Rtn. Divyang Parikh & (2) Rtn. Bankim Vashi.

Divyang Parikh & Bankim Vashi being awarded PHF

Secretary Mehul Shah was all efficiency personified during his announcements.

PE Siddharth Shah proposed a Vote of Thanks.

Every one stood up for National Anthem in the end.

And Sgt-At-Arms Pankaj Gandhi adjourned the meeting.

Recognition of Rotary

A blind man was once asked as to how he recognised the coins thrown into his begging bowl. He replied, "Initially by the noise made by the coin as it is thrown in bowl and later by the feel of it".

Rotary will be recognised by the Community by the "noise" it makes in other words "Public Relations" and by the feel of good work done for the Community. It has to attend to both these factors.

Where I can not deny that we have not been idle in those respects, much needs to be done to make the community fully conscious of our existence. So let us awake from the lethargy of rainy season and get ready for action to 'Lend A Hand'.
