15th May 05 "POLIO NID....."

The committed Riversiders met at the pre-decided venue and after an enjoyable breakfast, set off on their Rotary Mission. A very satisfying day for those who attended braving the heat. Polio Eradication being Rotary's prime thrust area, we expect more commitment from our members towards this noble mission in future. A few Riversiders though, did acknowledge and expressed their inability to attend, and wishing the NID all success.
