To the Members of the Rotary
Club of Surat Riverside, Gujarat, India

Dear fellow Rotarians:

It is with great pleasure that I welcome the Rotary Club of Surat Riverside membership in Rotary International. It is not possible to personally attend all Charter celebrations, but my thoughts and good wishes are with you on this happy occasion. As a new member of Rotary International, you are joining a worldwide organization of over 23,000 clubs linked in the common cause of service to humanity.

Your club's activities will take many forms as your club members investigate the four avenues of service. Take advantage of the established programs of Rotary International and its Foundation to support and further your own efforts. There is a rich tradition that you are now a part of but it will be your club's initiative and fresh perspective that will help to build the future of Rotary International. Be excited by the possibilities that are before you. There are many avenues of service that you can take that will help achieve our goal of world peace and understanding.

The Rotary Club of Surat Riverside's entry into Rotary International is a proud moment for all the clubs in your District and Rotary worldwide. As President of Rotary International, I sincerely welcome you and charge you to **ACT WITH INTEGRITY, SERVE WITH LOVE AND WORK FOR PEACE.**

Sincerely,

Herbert G. Brown
President
